

ADIL ISHTIAQ

Full-Stack Developer | WordPress Developer

Lahore, Pakistan · +92 301 1301709 · adilishtiaq8040@gmail.com

PROFILE

Motivated and detail-oriented Full-Stack and WordPress Developer with hands-on experience in Next.js, FastAPI, Python, WordPress, and AI-assisted development. Skilled at building responsive websites, REST APIs, and modern web applications aligned with project requirements, with a strong focus on clean, scalable, and user-friendly solutions.

EXPERIENCE

Full-Stack Developer | Echooo

Dec 2025 - Present

- Develop full-stack web applications using FastAPI, Next.js, and Python, including REST APIs and backend services.
- Build responsive, interactive frontend interfaces and integrate external APIs, authentication, and data workflows.
- Debug, test, and optimize applications using Git, GitHub, and AI-assisted development tools.

WordPress Developer | Ifex

Aug 2024 - Nov 2025

- Developed and maintained responsive WordPress websites, customizing themes, plugins, and layouts to meet project needs.
- Diagnosed and resolved WordPress, plugin, and theme issues while improving performance, SEO, and security.
- Managed website updates, backups, and content to ensure reliable, up-to-date deployments.

Freelance WordPress & Web Developer | Self-Employed

2024 - Present

- Design and build responsive WordPress and modern web projects, customizing themes, plugins, and components.
- Collaborate directly with clients to translate requirements into functional, high-performing websites.
